Dear Mr. Sarno:

On January 4, 2016, we received your Freedom of Information request for police records.

You requested the following:

"Any and all interview notes regarding St. Charles Police Department Officer Jerry Gatlin, or others, interviewing Mark Hay, during the year of 2003.

This interview is specifically referenced in an affidavit by Commander Gatlin, dated December 2015."

There is no reference to a 2003 interview in Commander Gatlin's affidavit of December 15, 2015.

However, Commander Gatlin's affidavit did refer to information which he received from Mark Hay. It is unspecified as to the year. That information was received during an interview in 2004.

We have released Commander Gatlin's unredacted notes from that 2004 interview.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Kim Schult".
